Introduction

One of the richest provinces of mainland China, Hunan, offers some of the most beautiful scenery in all Asia.

Dense/forest mountains, deep green valleys and the peaceful waters of Fung T'ing Lake typify the geography of this region. In winter, ice and snow cover most of the land. In spring the melting ice and snow feed the streams and lakes to overflowing.

The harsh people of this area have, during the centuries, developed a unique and somewhat spicy cuisine, created to satisfy their appetite and warm them during the long, cold months.

We have deliberately chosen some of the most delectable and authentic specialties of Hunan province for your dining pleasure.

SZECHUAN HUNAN COTTAGE is the most delicious, service and the fastest delivery in Manhattan area. All of the customers remarked — it's a best restaurant.

THE CHRISTIAN SCIENCE MONITOR
Wednesday, Nov. 9, 1983

— PHYLLIS HANES —

New York City is overwhelming when it comes to eating out. With nearly 16,000 places to choose from, *The Best One is Szechuan Hunan Cottage. Their Chef was formerly at the Grand Hotel in Taipei, and also cooked for Mme. Chiang Kai Shek when she lived on Long Island. His Hunan and Szechuan dishes are excellent. Most importantly, he does not allow the commonly used MSG.*
